Collectible fine wines at auction!

We are delighted to invite you to a wonderful autumn auction dedicated to prestigious fine wines, during which we will be presenting the greatest icons from Bordeaux, Burgundy, and Champagne.

This auction will feature more than 500 bottles, the result of a rigorous selection process by our expert from exceptional cellars in Luxembourg, France, and Belgium.

Burgundy and its network of different "climats," whose richness and uniqueness led to their inclusion on the UNESCO World Heritage List in 2015, have been calling the shots on the prestige wine market for several years now. We will be able to discover exceptional bottles from the Eugène Ellia estate: Gevrey-Chambertin, Vosne-Romanée, Meursault, Corton-Marechaudes, Nuits-Saint-Georges, and Beaune 1er Cru.

We will be able to discover exceptional bottles from one of the most famous vineyards in this region, the Domaine de la Romanée-Conti, with two bottles of Échézeaux 2004 and 2020, and a magnificent white Montrachet 2022 in perfect condition in its original box. Let's continue with the great renown of Bordeaux wines and the relentless consistency that has made them so successful for decades, with collectors still snapping up the first growths at exorbitant prices.

Like this 1987 Petrus, which will be offered for sale, along with a 1945 Château Mouton Rothschild, an exceptional Grand Cru Classé

from the year of France's victory, bearing the number: 55 815 / 74 422 in very good original condition.

Champagne lovers will not be disappointed with a fine selection of rare bottles sought after by collectors from the house of Jacques Selosse: The "Lieux-Dits" Collection Assortment case containing one bottle of each of six different Champagnes from unique plots: Sous le Mont, Les Carelles, Le Bout du Clos, Les Chantereines, La Côte Faron, and Chemin de Chalon. These unique locations bear traditional names that refer to a particular microclimate, topography, or history.

Our buyers are mostly knowledgeable Europeans, but also include customers from all over the world with a variety of profiles: young collectors, more seasoned collectors, and investors specializing in rare wines who want to build a fine collection or simply diversify their cellar.

We take great care to verify the authenticity and condition of the bottles before including them in our sales.

Our estimates are verified at the time of appraisal, ensuring that the estimated price correlates with the actual condition of the wine or spirits to be sold.

Have your prestigious wines appraised free of charge and confidentially at your home anywhere in Europe and Switzerland, or by appointment at our auction house.

We wish you successful bidding!

2.1. The relationship between AUCTION-LUX S.A.R.L. and the bidder is specified by these general conditions of sale.

2.2. By registering with AUCTION-LUX S.A.R.L. or by using the AUCTION-LUX S.A.R.L. website as well as any other auction platform freely chosen by AUCTION-LUX S.A.R.L., the bidder who wishes to participate in public auctions in the classroom or online guarantees that he has full capacity to exercise and acknowledges that he has read these general conditions of sale and that he has accepted them without reservation and with full knowledge of the facts.

2.3. The bidder who wishes to participate in an online public auction must read and accept, without reservation, the conditions of use of this technical platform. In the event of a contradiction between the conditions of use of this technical platform and these general conditions of sale, the latter prevail over any other contrary provision.

2.4. The general conditions of sale in force during the public auction govern the relationship between the bidder and AUCTION-LUX S.A.R.L.

2.5. AUCTION-LUX S.A.R.L. explicitly reserves the right to modify the general conditions of sale at any time for legitimate reasons aimed at ensuring the smooth running of public auctions. The general conditions of sale may, for example, be modified by AUCTION-LUX S.A.R.L. by written and/or oral notices prior to a public auction and which will be mentioned in the minutes of the sale.

3. Goods put up for sale

3.1. The goods are offered for sale in their current condition, which implies that they may, for example, present imperfections, defects as well as possible errors in their description.

3.2. The bidder is explicitly invited to form his own opinion on the lot likely to interest him.

3.3. The bidder is strongly advised to take the time to view and carefully examine the lot likely to interest him as well as to request all the necessary information about it before the public auction and particularly during the exhibitions.

3.4. Any handling of goods by the bidder is at their own risk.

3.5. AUCTION-LUX S.A.R.L. is available to bidders to provide them with reports on the lots.

3.6. The description of a lot provided by AUCTION-LUX S.A.R.L., resulting in particular from the catalog, reports, labels, any indications and/or verbal announcements, is exclusively AUCTION-LUX S.A.R.L.'s interpretation of the lot in question and shall in no way be considered as proof of any fact(s) by the bidder and the buyer.

3.7. The use of the term «attributed to» followed for example by an artist's name, a historical period, a century and/or an era indicates that one or more serious presumptions make it possible to connect the/ the characteristic(s) in question of the property. AUCTION-LUX S.A.R.L. emphasizes that this is one

or more presumptions and in no case a guarantee of authenticity.

3.8. The description of a lot provided by AUCTION-LUX S.A.R.L., such as the existence of a restoration, an accident or an incident that may have affected the lot in question, is given for the sole purpose of facilitating the personal inspection of the lot by the bidder. It remains expressly subject to the personal assessment of the bidder and/or his own expert.

3.9. The absence of any indication in the description of a lot provided by AUCTION-LUX S.A.R.L. - whether for example in the catalog, reports, labels, any indications and/or verbal announcements - of in particular a restoration, an accident and/or an incident which may have affected the lot in question does not in any way guarantee that said lot is free from one or more present, past and/or repaired defects as well as wear and tear, /or any other imperfections.

3.10. Conversely, the mention in the description of a lot provided by AUCTION-LUX S.A.R.L., for example of a restoration, an accident and/or an incident, does not imply that the lot in question is exempt from any other present, past and/or repaired defect as well as wear and/or other imperfections of any kind.

3.11. The description of a lot, in particular from the catalog, reports, labels, any indications and/or verbal announcements provided by AUCTION-LUX S.A.R.L., may be specified and/or modified by AUCTION-LUX S.A.R.L. and/or the bailiff who is present and directs the public auction until the start of the public auction in question. Any modification to the description is countersigned, where applicable, in the sales report drawn up by the bailiff.

3.12. The photos presented by AUCTION-LUX S.A.R.L., whatever their form, are not contractual and are given for purely indicative purposes. Colors of works shown in the catalog may differ from actual colors due to printing processes.

3.13. Estimates are provided for informational purposes only and should in no way be taken as a guarantee that the lot will sell at the estimated price or even within the estimate range.

3.14. Estimates do not constitute a guarantee of any kind. AUCTION-LUX S.A.R.L. cannot under any circumstances be held responsible for estimates provided at any location or time.

3.15. No complaint by a bidder and/or a buyer, whatever the nature, is admitted once the auction has been declared, even if it concerns for example the description, the estimate, the content and/or the batch status.

4. Public auctions

4.1. Public auctions are conducted in the presence and by the ministry of a bailiff. A report is drawn up during the sale by the bailiff and is binding against any contrary document.

4.2. In the event of a dispute, only the bailiff present and directing the public auction can decide to withdraw the lot. Its decision is irrevocable and binding on everyone, without any possible dispute.

4.3. The bailiff present and directing the public auction ensures compliance with established practices.

4.4. The hammer blow marks the end of the auction. The pronunciation of the term "awarded" results in the formation of the sales contract between the seller and the highest bidder, or results in the transfer of the goods from the seller to AUCTION-LUX S.A.R.L. and the immediate delivery of the goods by AUCTION-LUX S.A.R.L. to the highest bidder, on behalf of the seller, in the event that AUCTION-LUX S.A.R.L. is acting in its own name and on behalf of the seller.

4.5. The successful bidder is the person who makes the highest bid provided that he or she can be validly identified, is solvent, complies with all of these general conditions of sale and, where applicable, that his or her bid is equal, or higher than the stipulated reserve price.

4.6. As agent of the seller, AUCTION-LUX S.A.R.L. is not the owner of the goods put up for sale, even in cases where AUCTION-LUX S.A.R.L. acts in its own name but on behalf of the seller. In this regard, AUCTION-LUX S.A.R.L. cannot, among other things, be held responsible for any damage possibly suffered following or in the context of the conclusion of a sale between a seller and a buyer - including and as non-exhaustive - any possible damage occurring following an unfavorable purchase or judged as such by the buyer or seller when a lot is awarded at a price higher or lower than the actual or expected value.

4.10. All bidders are deemed to act in their own name and on their own behalf unless they previously declare to AUCTION-LUX S.A.R.L. that they are acting as an agent on behalf of a third party. AUCTION-LUX S.A.R.L. reserves the discretionary right to refuse such a prior declaration.

Buyer

4.11. The lot is awarded to the highest bidder who therefore has the status of buyer, provided that he can be validly identified, is solvent, complies with all of these general conditions of sale and, where applicable, its bid is equal to or higher than the stipulated reserve price.

4.12. The buyer undertakes to pay personally and immediately the hammer price increased by the costs payable by him as well as any taxes and/or charges that may be payable.

4.13. The buyer will only be able to obtain the lot awarded to him after payment of his sales slip in full.

4.14. The seller retains ownership of the lot awarded to the buyer until full and effective payment of the amount due by the buyer. This provision does not prevent the transfer of risks to the buyer, from the day of sale. As soon as the lot is awarded to a buyer, the risks are transferred to him and he is required to pay the amounts due.

4.15. The buyer becomes responsible for any lot he acquires and cannot under any circumstances revoke his acceptance.

4.16. It will be up to the buyer to insure the lot upon auction. Under no circumstances is AUCTION-LUX S.A.R.L. liable in the event of theft, loss or damage to the lot in question after the auction.

4.17. AUCTION-LUX S.A.R.L. does not organize the shipping of a lot purchased by the buyer. The latter bears the risks linked to the delivery of the lot and according to the terms and conditions it organizes.
